## Quick Heal Technologies revamps its consumer offerings

Ahmedabad: Quick Heal Technologies Limited, one of the leading providers of IT Security Solutions to consumers, businesses and Government, today announced the launch of its next generation suite of cybersecurity solutions - 'Lighter Smarter Faster', for laptops and desktops. The launch underlines Quick Heal's 25-year legacy and constant focus on innovation to design future-ready solutions aimed at providing best-in-class protection against sophisticated cyber-threats.

The launch of Quick Heal's 'Lighter Smarter Faster' suite marks a significant step in the direction of combatting the rapid evolution of the global threat landscape. In its Annual Threat Report 2019, Quick Heal reported more than 973 million malware attacks on desktops and laptops during 2018. More alarming, however, it highlighted how threats such as ransomware, crypto-miners and banking trojans have evolved over time to avoid signature-based detections and deliver advanced attack payloads on systems.

With the launch of its next generation suite, Quick Heal has

revamped its superior offerings which includes Quick Heal Total Security, Quick Heal Internet Security and Quick Heal AntiVirus Pro, designed to safeguard the digital lives of consumers from cyberattacks, privacy breaches and other online threats. Backed by industry-leading security technology and advanced features, the brand new range of Quick Heal solutions will go beyond the protection offered by traditional anti-virus solutions.

Kailash Katkar, Managing Director and CEO, said, "Quick Heal was founded with the promise of providing digital citizens with the best and most relevant cybersecurity solutions. In the past 25 years, we have endeavoured to uphold that promise through our commitment to innovation. The launch of the 'Lighter Smarter Faster' range is another step towards protecting consumers from new-age threats in the cyber space with state-of-the-art technologies. We remain committed to ensuring the safest digital experience to digital citizens through our range of cutting-edge security offerings." (1-7)

## Call centre busted: 2 held for cheating Americans

AHMEDABAD: Vejalpur police on Tuesday arrested two persons from an apartment in the Fatehwadi locality of Juhapura, for allegedly cheating US citizens through an illegal call centre. The two accused were identified as Mohammed Salman Pathan (24), who is from Salaya in Mandvi taluka of Kutch district and Sanjaykumar Vamiyer (23), a resident of Khokhra, who is from Chennai.

Based on a tip-off, a team of Vejalpur police went to an apartment building, Zeba Residency, where they found the two accused talking to American citizens, the FIR field on Tuesday states. Inspector L D Odedara said that the accused would call US

citizens using Google hangouts and Google voice calls. The would get promise to increase the victim's credit limits and would make them buy Walmart gift vouchers. After they did so, they would coax the voucher number out of them, and get the money converted into currency. Odedara said the call centre was managed by a resident of Fatehwadi, Asifkhan Pathan, a native of Bharuch. Asif along with Mohammed Salman and Sanjaykumar were nabbed by Bharuch police for a call centre racket three months ago. They managed to get bail in that case and started another call centre, here in the city.

He said that the trio did not get jobs after which they took to this illegal business of cheating US citizens. Vejalpur police booked Mohammed Salman and Sanjaykumar for cheating, breach of trust and criminal conspiracy. Asif is on the run. The two accused were identified as Mohammed Salman Pathan (24), who is from Salaya in Mandvi taluka of Kutch district and Sanjaykumar Vamiyer (23), a resident of Khokhra, who is from Chennai.
